History of Chakrabongse Bhuvanarth International College of Interdisciplinary Studies (CBIS)

CBIS was officially established on 13 March 2021. It is a project to establish an affiliated institution of Rajamangala University of Technology Tawan-Ok. Currently, the mission is to provide teaching and learning in an international program that includes the Doctor of Philosophy Program in Management, the Master of Management the Doctor of Business Administration Program and the Master of Business Administration with the emphasis of intensive study and producing the doctorate with the skills and competence in the management manner in order to excel in performance both nationally and internationally which meets the needs of the economic, social and cultural development. In particular, the graduates are expected to be able to integrate knowledge to practical operations, work in a comprehensive range of careers, and meet the needs of management personnel related to the aviation and service business or other related businesses as well as focusing on consistency and appropriateness with current circumstances, especially the Ministry of Higher Education, Science, Research and Eastern Economic Corridor Policy

First of all, the International Interdisciplinary College was in the International Management Study Project (IMSP), which is under the Institute of Aviation and Aerospace Technology by having a Doctor of Philosophy Program in Management (bilingual course) for international students which was established from the relationship and cooperation from IMSP, Thailand and many leading universities from China. Additionally, it was established in the purpose of the efficiency of teaching, learning and supporting the increasing number of students as a CBIS later on.

Rajamangala University of Technology Tawan-Ok

Chakrabongse Bhuvanarth Campus

In the year 1949, His Excellency Marshal Phin Choonhawan, Deputy Commander of the Army at that time, gathered the capital fund for construction of "Surasakmon tree School" to facilitate civil servants under the Royal Thai Army on providing schools for civil servants' children. There was an establishment of "Children Vocational School of Royal Thai Army Officials" in the year 1973, after that the Army was assigned as the duty of the Ministry of Education to continue in 1974. As an honor and commemorate to the Army, The Ministry of Education therefore humbly asked for His Majesty the King's "Chakrabongse Bhuvanarth" whom he previously served as Chief of Staff of the Army instead of the name "Children Vocational School of Royal Thai Army Officials" as to "University of Chakrabongse Bhuvanarth". Thus, the campus will arrange on every 13 June as "Chakrabongse day" for civil servants and people to worship and appreciate his majesty's grace.

In 1988, His Majesty King Rama IX graciously granted a new name to that "Rajamangala Institute of Technology" Until 2005, the Act of Rajamangala University of Technology resulted in the former Rajamangala Institute of Technology and Rajamangala University of Technology by dividing into 9 universities, which Rajamangala University of Technology Tawan-Ok consists of 4 campuses as follows; Chakrabongse Bhuvanarth, Chanthaburi, Bang Phra, Chonburi, and Uthenthawai. Rajamangala University of Technology Tawan-Ok: Chakrabongse Bhuvanarth Campus is one of the prestigious campuses of Rajamangala University of Technology, focusing on educational management to produce graduates who possess Business Administration skills, Management Information Technology, Science, Foreign Languages and Tourism Industry with quality, practicality and creativity that enable them to work in numerous professions.
